

Here's Hope

Discipleship Workshop for Pastors

This one-day workshop for church pastors (accompanied by one or two lay people) will provide

- Faith building testimonies to bring hope and encourage pastors with what God can do in situations like theirs
- Instruction and prayer opportunities to bring God's spiritual healing to pastors and help them learn to help their people experience spiritual healing
- Insight on God's pattern for revival and spiritual awakening and practical tools for pastors to guide their churches toward revival

- An introduction to the Growing Disciples Series as a simple and foundational process to help disciples grow into spiritual maturity
- Opportunity for pastor and laity to share and pray together about God's agenda for their church so they can go back as partners in ministry with a concrete plan for their congregation
