JOB OPPORTUNITIES

Lead Pastor

ELEMENT CHURCH:

Element Church was planted in 2015 in the Murphy Creek neighborhood in East Aurora. We meet in the Murphy Creek P-8 school on Sunday mornings with a congregation of about 75. We are passionate about seeing whole life transformation take place in the people who call East Aurora home and are uniquely positioned to impact the new communities east of E470.

- ***Our Mission:***

We exist to glorify God through whole lives transformed by the gospel of Jesus Christ.

- ***Our Values:***

Simple. Biblical. Real.

- ***Our Strategy:***

Worship. Connect. Serve. Develop.

- ***Our Measures:***

Connect Faithfully. Serve Sacrificially. Give Generously. Love Graciously. Grow Passionately. Live Missionally.

THE COMMUNITY:

Element Church is located east of E470 and Buckley Space Force Base. The 80018 zip code is one of the fastest growing areas in the Denver Metro area with more than 20,000 residents, new neighborhoods being built every year, top rated public schools, and easy access to DIA and downtown Denver.
